

BMW Motorcycle Club Canberra

NEWS

November 2022

The club has a new domain www.bmwclubcanberra.com.au

BMW Motorcycle Club
Canberra

Dear {Contact_First_Name},

Please join me in welcoming our newest members Terry Langton (R1250GS) and Pat McNamara (RnineT) and be the first to say hello when you meet them on their and your next ride.

I met Pat in Tumut last weekend on Ride Coordinator Karen's scenic ride to the Tumut Brewery and lunch via Gundagai whilst Jim Kalma and I rode across the Brindabella's to meet them. Then Terry in Cooma the mid-point of Secretary Cam's GS dirt adventure whilst my R100RS got a run down the Monaro.

There are only **8 days** to the [BMWCC 2022 Awards & Christmas Lunch \(Club Event\)](#) with registrations closing soon. This an alternate serve menu with ALL notified dietary requirements catered for. This event is open to members and partners, so why not come along and join in the fun whilst celebrating the Club year and award recipients. Whats more you can leave the bike at home.

Thank you to those that have already registered and paid, and if not then please settle your account.

There is still time to register and pay (ASAP) as there is **no** provision for 'walk-ins' on the day.

Treasurer Bob will be enjoying the outback hospitality of the Square Kilometre Array and his ground breaking ceremony in Western Australia. Look for him on the news that night.

Ride coordinator Karen lead the TS group on a loop ride from Gundagai to Tumut.

Who will be our Club Person of the Year for 2022? After no nominations in 2021 there are a number of nominees for the 2022 'Upside Down Award'.

[What's On](#) has a range of rides that reflects the Committee's riding interests. If you are not seeing an event or have a suggestion then email the one of the committee and let us know. Members & guests are encouraged to register to events, even day rides, as this allows the ride leader to better plan by knowing who to expect and in-turn letting venues know how many to expect. If you cannot make the whole ride or want to meet the group along the way? No problem, the event includes the contact details of the person coordinating the ride.

For those looking for an overnight ride then check out the [Overnight Club Ride to Orbost via the Bonang Hwy \(TS\) or Barry Way \(GS\) \(Club Event\)](#) and moving into 2023 and longer ride then [Cam's T1 School Excursion to the Flinders Ranges & flat lands \(Club Event\)](#). Multi-day rides by the very nature require a greater level of pre-planning and more registrants make it even more so.

Ride coordinator Karen is looking for suggestions to take advantage of the long weekends in early 2023 and I'll be exploring some mid-week overnight rides for those freed of the Monday-Friday tedium.

The Club has a Facebook group and the Committee appreciate social media is not to everyone's liking but it does provide YOU the opportunity to post a short notice ride. Alternatively with a few days notice email Karen, Cam or me the details and we'll post it to What's On. Facebook does not replace the Club What's On event calendar. Remember to share that hi-resolution picture in landscape and your chance for it to be posted to the Club's page header.

Enjoy your ride

Garry Smee
